# Jekyll *and* Hyde

PROGRESSIVE ROCK OPERA

**JEKYLL AND HYDE IS A NEW PROGRESSIVE ROCK OPERA, WRITTEN IN ENGLISH, CONSISTING OF TWO ALBUMS: WHITE SIDE AND DARK SIDE.**

These are two complex albums, the result of four years of intense and meticulous work. The work follows to Stevenson's novel "The strange case of Dr. Jekyll and Mr. Hyde": each song is like a chapter of story, in which the main characters take the stage (Jekyll/Hyde, Utterson, Lanyon and Poole). Each of them will be played by a different singer.

The work progresses in parallel with the story: the **white side** represents the supremacy of reason over the primordial instinct (supremacy embodied in the character of Henry Jekyll) while the **dark side** brings negativity and destruction.

This is a "progressive" path: lucidity and musical simplicity slowly turn into an increasingly aggressive, all-encompassing and complex sound. However, the boundaries are not so defined. The evil shows through the good and vice versa, so there are moments of light in the dark side and dark moments in the white side.

AVAILABLE ON

The band was born from the ashes of Layra, an Italian Progressive Metal band active from 2006 to 2012.

Two self-produced albums: ChiaroScuri and Crono, both well received by industry critics. They were distributed on the best digital platforms (iTunes, Spotify, Google Play, etc ...) by the French label Believe Records and internationally by the BTF label.

A characteristic of the works by Reversal Symmetry is the so-called stage-prog: the performances are in fact characterized - through costumes, choreography, scenography and video projections - by a remarkable theatrical component that helps the viewer to immerse himself into the story.

Moreno Sangermano – Jekyll/Hyde

Steve Sangermano – Utterson

Guido Gori Giorgi – Lanyon

Alessio Quaresima Escobar - Poole

Fabio Vitale – guitars

Graziano Sessa – bass guitar

Matteo Ferretti – keyboards

Davide Miccinilli – drums

tracklist

The **White** Side

1. Henry's mirror
2. Story of a door
3. The eye of reason
4. The nightmare
5. Eternal void
6. Promises
7. Henry's choice

The **Dark** Side

1. The smell of rain
2. The evil inside
3. The window
4. Anomalies
5. In another life
6. Like so many fragments of glass

*everything lives*  
*on the edge*  
*of its opposite*
